

January 2017

Dear Friends,

Letter of Request for Competitive Team Financial Support- 2017

Kingston United Soccer Club is a community based youth soccer club. The Club's primary objectives are to foster, develop and promote the game of soccer, as well as to develop and encourage high soccer standards in both recreation and competitive play.

Our competitive team's major expenses are paying for alternate jerseys, winter and spring training facilities and a shade tent for the up and coming season. We are reaching out to your company in hopes that sponsoring a youth soccer team is something you would consider so that all our players are able to enjoy this year's season to the fullest.

For donations that are \$500 or more, your logo will be placed the KU web site sponsor page and for donations over \$200 we will list your company name and geographical area your business is located in. For donations over \$800. we can discuss other options like Logos placed on our alternate jerseys or team bags/ training bibs etc. in addition to your logo on the web site.

Please contact the writer directly if you have any additional questions.

Coach: _____

Contact Phone: _____

Contact Email: _____

Thank you for giving this your consideration and we wish you continued success for your business in 2017.

Best Regards,

Head Coach
